Dear Harold:

Thank you for your letter, and in particular, for the "girl" chicken earrings and tie clip. They will be most appropriate when I visit with my Eastern Shore constituents.

I would be happy to discuss at greater length the matters you referred to in your letter. Please call my appointment secretary who will set up a time which will be convenient for you (phone: 225-5341).

Very sincerely,

Carlton R. Sickles, M.C.
